

A TASTER DAY AT OULTON PARK

START OF THE DAY

On arrival, sign-on with Nadine in the Chequered Flag Restaurant

Old Hall Corner is one of the busiest for incidents and the last point track side before the group return to the paddock.

Arriving at Cascades whilst practice is in progress, Nadine points out the unique nature of this particular corner.

WALKABOUT BEGINS

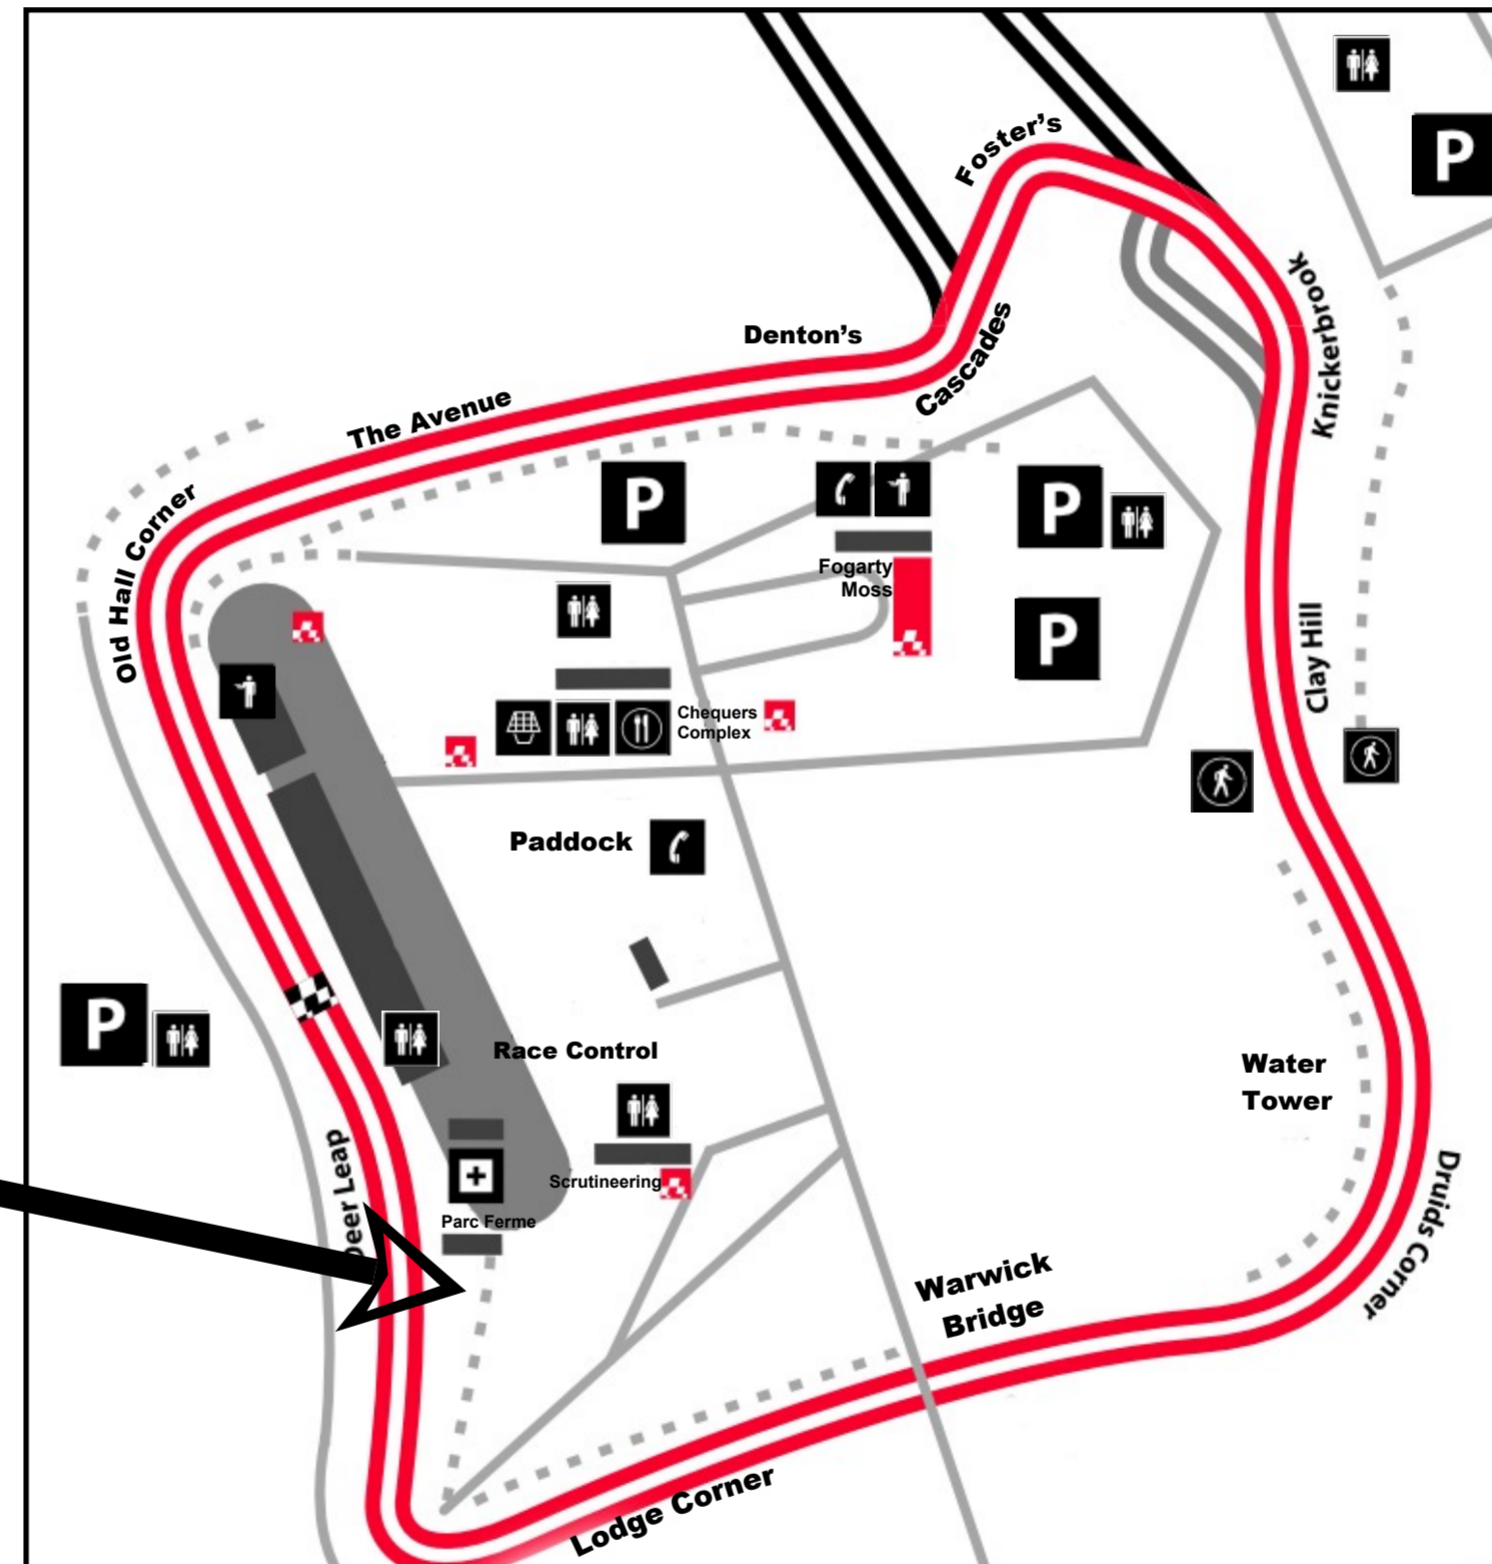

All participants gathered together in the Parc Ferme for a briefing by Nadine.

Nadine explains the switches and safety equipment on a single seater racing car.

After a tour of the Medical Centre facilities the group moves on to Race Control. Then Nadine will allocate them to a Post on the circuit for the afternoon.

Water Tower and one of the fastest parts of the circuit with its blind approach from Clay Hill to the double apex at Druids.

Crossing to the inside of the track they visit several posts around the circuit to see the marshals in action.

END OF THE DAY

At the end of the day, Nadine meets the group by Race Control for a debriefing.

Start of the morning walkabout by the Pit Entry Lane then across the track.

The group walks round to Lodge Corner and an explanation of the equipment and role of the Rescue Unit.
