

NORTH WEST REGION AWARD WINNER 2018

DON HALL TROPHY: WALTER HOLME JNR.

Our brand new award is launched in remembrance of dear old Don Hall. The award is funded from the legacy bequeathed to North Region by another stalwart, Cliff Hammond.

Walter (Wally) Holme is the very worthy inaugural winner given his dedication to the art of Flag Marshalling as demonstrated over so many years.

A long-standing practitioner of Chief Flagging, particularly at Anglesey Circuit, which he has made his own for some 20-odd years, Wally is the "go to" person when a support is required.

In addition, Wally turns his hand to on-the-bank flagging whenever called-upon, deploying the skills acquired over so many years.

Those many years now total 38 [Thirty eight]. He started young and stuck at it!

In essence, the Role Model for all aspiring Flag Marshals.
