The Chairman's Chatter....

Dave Reed – South Midlands Chairman

Welcome to the Newsletter for the South Midlands Region

Having skipped an issue of our Regions Newsletter I will try to bring you up to date.

Well the F1 Grand Prix has come and gone, whatever your allegiances were the outcome either met your expectations or not. If you were there, why not put pen to paper or fingers to keyboard, your newsletter would welcome an article from you.

World Cup fever is over, for many of us the result was not what we wanted but at the end of the day 'didn't we do well'.

There have been a number of updates to the Members Volunteering System, some are behind the scene, but it's worthwhile taking a look and adding your volunteering days.

In May we organised our Recruitment Stand at the MG Live meeting at Silverstone, a successful race meeting I understand and the same can be said for the Recruitment Team.

The Club also had a Recruitment Stand at the F1 Grand Prix, recruiting alongside our colleagues from SMT. Again a success, taking over 350 names of those interested in marshalling, we will be following up to see how many we can convert into club memberships.

At the time of writing the next outing for our Recruitment Team will be at the Silverstone Classic, usually behind the big wheel on Friday, Saturday and Sunday. More news of this in the next newsletter.

Visitors to our Recruitment Stand who express an interest in marshalling are invited to attend a Taster Day at either Silverstone or Rockingham, if you would like to assist at one of these Taster Days or spare a day to help on the Recruitment Stand, Trainee through to Post Chief all are welcome, drop me an email to express your interest and I can provide more information.

Keep safe out there.

BMMC Volunteering Web Site

We are now in the midst of the Circuit Racing calendar with several big events being held at Silverstone over the next few weeks. There are also touring cars at Rockingham and numerous other club type events around our region, including Sprints, Trials, Karting, Auto Tests and of course Circuit Racing, all of which you can volunteer for via our online.

Volunteering System. Even though some of these events are small in comparison to such events as BTCC, they all need marshals to ensure the event runs smoothly with minimum risk to all involved.

As some of you are aware our region supports marshal recruitment days at some of the major events in our region, including MG Live, British GP, Silverstone Classic, BTCC and Kop Hill. With the exception of the BTCC all the other events where we have our recruitment gazebo are manned by our South Midland members, so if you find you have a few hours free on one of these recruitment days, and don't mind talking to motorsport fans about who visit our gazebo about all things motorsport we would be grateful for your help.

Below is a schedule of events in our region over the next three months, so if you find you have a day or two available please use our volunteering system to volunteer for one of the smaller events listed, I can also confirm the reminder email sent out about seven days prior to event you volunteered for is back, up and running.

Enjoy your marshalling and stay safe.
