## **SAVE THE DATE**

# **SOUTH MIDLANDS ANNUAL REGIONAL DINNER AND AGM**

We have started making the arrangements for our Annual Regional Dinner, which this year is planned to be held on

**Saturday October 28<sup>th</sup>**

The location is yet to be finalised, but it will be somewhere close to Silverstone so those of you marshalling at the Birkett Relay Race will be able to join us after the racing finishes. Members' Guests are also welcome, and as usual BMMC will be offering a contribution against the cost of the meal for members.

We are also planning to hold our Annual Regional AGM immediately before the dinner.

Further information will be available soon.

# Secretary Scribblings

The South Midlands committee meets monthly, at present on the internet using Zoom, and all members are welcome to join us. Here is a summary of some of the topics that the committee have covered since the last Newsletter:

- received a report of the unfortunate events which impacted our recruitment efforts at the British Grand Prix. These included last-minute changes to the pre-event accreditation process, no allocation in the camping area for the marshals on the recruitment stand, no allocated stand location when the team arrived to set-up, and finally a forced re-location of the stand mid-event on the grounds of safety. A full report on the circumstances has been sent to Nadine Lewis who is raising the matter with both Motorsport UK and Silverstone. Despite the problems over 100 names were taken during the event with many more people registering an interest directly on the website.
- received reports from successful recruitment stands at Sywell Supercar Festival and MG&Triumph100 at Silverstone. Glynn continues to make applications to the respective organisers for our recruitment stand at events for the remainder of 2023. The details of where we will be are elsewhere in this newsletter and please contact Glynn on [sm.volco@marshals.co.uk](mailto:sm.volco@marshals.co.uk) if you would like to help at one of our recruitment events.
- noted the results of a trial which led from an ongoing review of training and ARDS assessments for junior racing drivers. Race organising clubs who have Junior championships have been testing a sample of junior drivers with standard questions to see how well they know the basic racing rules. The results are not encouraging, with a low overall success rate, and even drivers who got questions correct were later observed not following those rules on the track!
- started distributing the new sew-on grading badges which show the grades from the new Marshal Pathway. Please check that your BMMC grade record is up to date, so we know which ones you need. Please read the relevant article elsewhere in this Newsletter to find out how you can get your badges, and how to check if we have all your latest grading information.
- started planning for training in early 2024. We have to submit funding applications in September, so if you have any suggestions of what you like to see included, please send them to Chris on [sm.chair@marshals.co.uk](mailto:sm.chair@marshals.co.uk).
- noted that our Membership Secretary, Steve, has indicated that he will be standing down from the committee at the next AGM due to work. If you would like to find out more about this key role in supporting new and existing members, then please contact Chris on [sm.chair@marshals.co.uk](mailto:sm.chair@marshals.co.uk). We are also still without a dedicated Training Co-Ordinator on the Committee, so if you want to help here too, please contact Chris

Please let me know if there is anything else you would like us to discuss so I can add it to the agenda, but please let me know at least 2 weeks before the meeting. The dates for 2023 are below, all are on a Monday evening (except \* which is a Tuesday) and the meeting starts at 19:45. If you want to join us please send an e-mail, along with your membership number and the e-mail address you will be joining from, no later than 2 days before the meeting to [sm.secretary@marshals.co.uk](mailto:sm.secretary@marshals.co.uk) and I will send you the joining instructions.

If you have any comments or questions about the Committee, please don't hesitate to contact me on [sm.secretary@marshals.co.uk](mailto:sm.secretary@marshals.co.uk).

**MOTOR SPORT  
CHARITY**

---

The BRDC Motor Sport Charity, formerly the BRDC Benevolent Fund, was established in November 2000. Initially formed to support BRDC Members only start-up funding was provided by a small number of generous benefactors including the British Racing Drivers' Club and its members. In 2006 the Fund extended its reach to include people and their families who work or have worked, both in a paid and voluntary capacity, in the motorsport industry. In early 2018 the fund re-launched as the BRDC Motor Sport Charity. The aim of the charity is to support people in times of need due to ill-health, disability, or financial hardship.

Recent Chairman, David Richards CBE, said: 'Marshals play a vital role in the success and safety of our industry, from grass roots motorsport to Formula One and everything in between. We want them to know that we are here to offer support to them when it is needed.'

The current Chair is Dario Franchitti and along with Chriss Bliss and Ian Holloway, they make up the three Trustees of the Charity.

The BMMC representative at meetings is Stephen Woolfe and is happy to talk about the charity, however, ideally if you would like to know more, visit the website at <http://www.brdc.co.uk/BRDC-Motor-Sport-Charity> or you can speak in confidence to the charity's Facilitator, Jenny Brown.

She can be contacted on 07801 441695 or email: [jenny.brown8@btopenworld.com](mailto:jenny.brown8@btopenworld.com).

# **BMMC Volunteering System**

Below I have summarised a list of events happening in August, September and October all within our South Midlands region, further details of these events can be found by logging on to our volunteering web site.

One event that usually attracts a large number of marshals is the Kop Hill climb, please see the article from Chris Hobson.

## Kop Hill Climb 16 – 17 September 2023

Once again we are running the hill for the Kop Hill Climb Festival – probably the most enjoyable, friendliest event of the year. Two days of nostalgia for both bikes and cars. We are already oversubscribed for entrants, with some very interesting vehicles in the pipeline. Family friendly, we have a funfair, soap box race, food village and lots of stalls and attractions.

Have a look at the website <https://kophillclimb.org.uk/> for more info on the event.

Youtube has lots of videos –

<https://www.youtube.com/watch?v=NkVmaNgxbew>

<https://www.youtube.com/watch?v=9Aj3IK3JtpY>

**We need a few more marshals** to ensure we are completely covered for both the hill and the paddock. We have basic camping and motorhome facilities on site for marshals. If you would like to join us please email me at [chris.hobson@kophillclimb.org.uk](mailto:chris.hobson@kophillclimb.org.uk) with your preferred duty, or if you have any questions, give me a call on 07789 206809.

I look forward to seeing some of you at the event.

# Marshal Recruitment

Below are the remaining 2023 planned marshal recruitment events for 2023. I still have vacancies for recruitment stand helpers at Silverstone BTCC and Motorsport Days Live, so if you are interested, please drop me an email.

25 <sup>th</sup> , 26 <sup>th</sup> & 27 <sup>th</sup> August	Silverstone Festival (The Classic)
16 <sup>th</sup> & 17 <sup>th</sup> September	Kop Hill Climb
23 <sup>rd</sup> & 24 <sup>th</sup> September	Silverstone BTCC
3 <sup>rd</sup> & 4 <sup>th</sup> November	Silverstone Motorsport Days Live

Our marshal recruitment team had a good weekend at MG Live and British Grand Prix, although at the BGP we did suffer several hiccups along the way, the recruitment events still took place with a considerable number of names taken, all of whom will be invited to join our club and attend a taster day if they so wish. If you do come across any 'newbies' whilst marshalling, please give them a few words of advise and encouragement.

Other events where there is a large footfall of motorsport enthusiasts could be considered if sufficient members are able to help man the stand.

# **BMMC South Midlands Committee Vacancies**

## **Your Region Needs You!**

This year we are aware that there will be some positions on the regional committee made vacant by recent resignations, but I am also acutely aware that some members are responsible for more than one role, and I would like to spread the work a bit more evenly. Having said that, we also need to plan ahead, the new Governance arrangements are going to insist that the period of time committee posts are held is limited; see Governance Working Group article below in this newsletter. We need to do some succession planning.

So, what does being a committee member involve and how do you become one? Well, most of the committee roles are administrative, that is keeping records up to date, issuing advice and updates on procedures. Currently we meet virtually using Zoom, on the first Monday of the month for an hour or so in the evening. However, there are occasions when we need to meet collectively to deliver a service for the members. That might be to man a recruitment stand or to help to deliver training. But don't worry, we are volunteers, and nothing is compulsory. We also understand that you join the club to go marshalling, not to sit at a desk drafting letters or updating procedures.

How do you become a committee member? Officially you are nominated and elected by BMMC members of a region as a committee member at their Annual General Meeting (AGM). You do not necessarily need to belong to that region, but it is preferred you are. Roles and duties are usually assigned at the first committee meeting after the AGM. You can also be co-opted on to a committee at any time to fill a recently vacated role, but your official membership of the committee does not commence until it is ratified at the AGM even if you are delivering a co-opted role in the interim. You are nominally elected for a three-year term and the new Governance arrangements would limit you to a maximum of three terms, i.e., nine years. But at the risk of repeating myself, we are volunteers, you can quit at any time, but remain "in post" until the next AGM.

You will hopefully have noted that we are currently looking for a new Training Officer and our Membership Secretary has very recently advised of his decision to resign at our regional AGM in October. From time to time, we do issue notices of such vacancies, but we do not expect anyone to jump into a post without some knowledge of what they are letting themselves in for. We have detailed job descriptions for each committee role, and we strongly recommend that you attend a committee meeting or two before you make any commitment to join.

We are a friendly group of like-minded souls in the South Mids and are always happy to meet members and discuss their issues. We need to know what members think about the club and what we are doing. If you are interested in getting involved, please contact Marion Quarrington at [sm.secretary@marshals.co.uk](mailto:sm.secretary@marshals.co.uk) and she can send you job descriptions and invites to committee meetings.

Being a Committee member might sound incredibly boring but we seem to enjoy ourselves and we do get involved in setting the marshalling world right. We would welcome your involvement.

# Governance Working Group

Shortly every member of BMMC should receive an invitation to attend and vote at an Extraordinary General Meeting (EGM) to adopt revised Articles of Association and Club Rules, the club's principles of Governance. The meeting will take place online on the 5<sup>th</sup> September and the invite will contain copies of the revised Articles of Association, Club Rules and a new Standing Order for BRMC together with instructions on how to join the meeting.

I urge every member to attend and vote, if only because this is your club, and you should have a say in how it is governed.

So why are we having to change our Articles and Rules? To put it simply a number of contradictions have become evident, some rules said one thing but the Articles either did not allow that or they implied something else. In addition, it was felt some Articles would be better expressed as Rules and vice versa. It was also clear that BRMC needed a set of Standing Orders that sat below the Articles and Rules and addressed matters relevant to them.

A Working Group was established to undertake a fundamental review of both the Articles and the associated Rules and Marion Quarrington and myself were invited to be in the group. It was chaired by our National Secretary John Edwards ably assisted by Elizabeth Anderson, a professional Governance consultant and BMMC member who provided advice FOC.

It quickly became apparent that some changes were required in how the club was administered. Elizabeth initially felt that there were too many Directors and Executive Officers for a small company and that Regional Chairs could have a conflict of interest between their role as Director and head of region. The Group felt strongly that members interests should continue to be directly represented at Board level so it has been decided that Regional Chairs should remain as Directors and be fully briefed on their responsibilities to the club as a whole and the region. As they are elected by members, they are best placed to represent them. However, the "Executive Officers" are not elected, they are appointed by Council and the title does not reflect their role, which in most cases is to be a national co-ordinator for a function. It has been proposed that they are instead called Co-ordinators and although remaining on Council they will not have the same voting rights as Directors who will form the Board. So, in essence the National Chair, Secretary, Treasurer together with the Regional Chairs and the Chair of any Special Interest Group (BRMC) will comprise the Management Board and Council will consist of the Management Board and the Co-ordinators.

Elizabeth also felt it is good management practice to have a process that requires a turnover of officials at governance level so that the company does not stagnate and is open to fresh ideas and initiatives. The new Articles/Rules propose that all officials are elected for a three-year term and if willing to continue must offer themselves for re-election every three years but can only serve a maximum of nine years before they must stand down for at least a year.

So, to sum up, BMMC will be run by a Board of Directors (The Board), supported by Co-ordinators for day-to-day management (Council). Regions and Special Interest Groups will be managed by a committee elected by BMMC Members and led by a Chairman who is a Director and member of the Board. The rules for electing the National Chair, Secretary, and Treasurer have not changed but they are also obliged to stand for re-election every three years with a maximum term of nine years. As always, the devil is in the detail so read the new Articles and Club Rules carefully before you attend the EGM. If you have any questions, please forward them to Marion or I in the first instance.

# Pathway Grading Badges

All members are eligible to a **free** grading badge for each of the accredited grades under the Pathway grading scheme.

These are available from myself. If members confirm their SM marshal membership number and expected grade. I will return the relevant grading badges.

Currently I have enough badges to cover 50% of the membership. If you do not receive your grading badge members will get their badges with their annual membership at the beginning of next season.

If any members are attending the following meetings at BDC 12<sup>th</sup> August and 19<sup>th</sup> & 20<sup>th</sup> 750MC at Silverstone if they let me know I can distribute the badges.
