Result and Second Nomination Period

Message from Ian Whiting, South Midlands Regional Chair.

Nominations for the Regional Committee closed on September 12th at 5pm. At that time 2 nominations had been received, and all nominations fully complied with all the requirements of the Club Rules, as verified by myself as South Midlands Regional Chair. In accordance with Rule K.3.11, as the number of candidates does not exceed the number of vacancies, I can confirm that the following have been elected to the South Midlands Committee without the need for an electronic vote:

Adrian Cashmore Marion Quarrington

I hope that you will join me in congratulating Adrian and Marion for standing for a further three year term and I look forward to continuing to work with them.

Ian Whiting

When this nomination period was opened we had 6 vacancies on the Committee, and we still have 4 remaining. Under Rule K.3.6 the nomination period is being re-opened so that more people can apply. Candidates for the South Midlands Regional Committee must be Full or Life BMMC members, affiliated to the South Midlands Region and be active marshals. Each candidate must be proposed and seconded by two other Full or Life BMMC members who are also affiliated to the South Midlands Region.
