BMMC Self-funding for Training

This year the club has received considerably lower financial support this year than previous years for training. Whilst the shortfall can be covered this year concern was raised as to how do we address such a situation for future years?

Key Actions:

Nadine Lewis to discuss funding provision with MSUK

Lynne Kendall to set up a work stream to review options

Membership Data Quality and impact on Volunteering

It has been identified that there are a number of members who have no grade on the database, and therefore cannot volunteer for a role via the volunteering portal. The cause of this was to be investigated, John Edwards will contact all Regional Membership Secretaries to establish the position by region

The issue of cadets turning 16, and then becoming "registered marshals" was also discussed as the portal does not recognise an individual's birthday. Proposed solutions to this issue to be reviewed by Sean Clarke

Ratification of SE Chair – Andy Bumstead

Vote in favour unanimous

Online membership / volunteering platform

The proposed process for online membership/ direct debit and the volunteering platform was discussed. Feedback on the proposal is to be communicated to the development team for incorporation into the proposal prior to work commencing
